

## UNIT ENTRY AND EXIT PROCEDURES

### 1 ENTRY TO THE CHANGING ROOMS (GREEN ZONE)

Enter WITH STREET CLOTHES

✓ Go directly to the changing room

✓ Completely remove:

Outer clothing

Outdoor footwear

Circulating in the UICB with street clothes is not allowed.

### BARRIER BETWEEN ZONES

### 2 TRANSITION TO THE ORANGE ZONE

When crossing the barrier:

✓ Leave your shoes in the green zone

✓ Put on the exclusive orange zone clogs

The clogs:

✓ Do not enter the boxes (stalls)

✓ Do not leave the UICB

✓ Remain only in the orange zone

### 3 CIRCULATING IN THE ORANGE ZONE

✓ Walk in this corridor only wearing the zone's scrubs and clogs.

✓ Never bring used PPE from the boxes into this space.

✓ Always wash and disinfect your hands when entering this zone.

⚠ Cellphones used in this zone must be kept in zip-lock bags provided in the unit.

⊘ Consuming food in this zone is strictly prohibited.

### 4 EXIT FROM THE UNIT

✓ Go to the barrier

✓ Leave the exclusive clogs in the orange zone

✓ Remove the surgical scrubs:

✓ Place them directly into the yellow bin

✓ Wash hands thoroughly before leaving

### REMEMBER

Strict separation of zones protects:

✓ The staff

✓ The patients

✓ The hospital
