

ENTRY AND EXIT PROCEDURES FOR THE BOXES (STALLS)

1 ENTRY TO THE ANTEROOM

Enter already equipped with:

- ✓ Institutional surgical scrubs (Dark red)
- ✓ Orange zone clogs

Before entering the box, a change of equipment is mandatory

TRANSITION BETWEEN ZONES

2 CHANGING INTO PROTECTIVE EQUIPMENT

Depending on the isolation level defined for the box, you must use:

- A Option A: Simple Green Gown
- B Option B: White coverall with hood

In both cases, the following is mandatory:

- ✓ Latex gloves or equivalent
- ✓ Dedicated rubber boots
 - Yellow or orange (Depending on the box assignment)

The body must be completely covered.

3 ENTRY TO THE BOX

Entry is only permitted when:

- ✓ The complete equipment is properly put on
- ✓ The gloves are on
- ✓ The dedicated boots are on

4 EXIT FROM THE BOX

Upon exiting the box, in the anteroom:

- ✓ Wash the rubber boots thoroughly
- ✓ Remove the boots
- ✓ Hang up the reusable equipment
- ✓ Remove and discard the gloves according to the procedure
- ✓ Wash hands thoroughly

5 RETURN TO THE ORANGE ZONE

After sanitizing:

- ✓ Put the exclusive orange zone clogs back on
- ✓ Exit the anteroom

Never walk in the orange zone wearing the box boots.
